

PNEUMATIC ANGLE GRINDER

FREE SPEED R.P.M
13600 / 7600

WHEEL SIZE (mm)
100 / 180

WEIGHT (Kgs)
1.7 / 3.0

AG 4

AG 7

PNEUMATIC ANGLE GRINDER

Teryair Pneumatic Angle Grinders are well suited for rugged production use. They are economically designed and kept as light as possible to reduce fatigue. Speed governors are standard equipment which ensure optimum performance.

Variants

AG 4 - 1.7 kgs
AG 7 - 3.0 kgs

Approvals and Certifications

All Teryair pneumatic angle grinder are CE marked and manufactured under an ISO 9001:2015 Quality system - SGS.

Features of AG 4 / AG 7

- Well suited for rugged production use.
- Reduce fatigue.
- Blending and smoothing operations.
- Ensure Optimum performance.
