

Paint mixers are used to mix paint, ink, and other coatings. Speed can be adjusted easily depending on the intensity of mixing needed. Pneumatic powered mixers are safe for use in explosive zones. Teryair paint mixers are lightweight and durable machines designed for outdoor environments.

#### Technical data

IMPA Code	Teryair Model No	Capacity ltr	rpm	Air Inlet inch
270581	27.05.81	40	500	1/4 BSPP
270582	27.05.82	200	500	1/4 BSPP

#### Package dimensions and weights

Teryair Model No	Weight Kgs	Box Dimensions cms
27.05.81	5.00	58 x 10 x 9
27.05.82	13.00	54 x 42 x 17
